JW055 Cargo pocketed shorts

Details

Weight:
220g (Size 50)

Pockets:
2 Back Pockets, 2 Front Pockets, 2 Leg Pockets

Special Pockets:
Secret Pocket

Special feature:
Elastic Waistband

Main Fabric:
SUPPLEX UV

100% Polyamide (Supplex)

These lightweight shorts are ideal for hiking or travelling in hot weather. And with six pockets for your essential little items, you might not even have to carry a day pack. The thin SUPPLEX fabric protects you from UV rays, and if you work up a sweat or get caught in a shower, it dries again in no time.
